

## TPGIT Alumni Association Quarterly Newsletter May 2019 Issue 1, Volume 1

### HOD's Column

**Dr. RAHILA BILAL M.E, Ph.D.,  
Head of Department (ECE)**

*My warmest greetings to all Alumni of TPGIT. I appreciate and congratulate the TPGITAA for the efforts in publishing the Newsletter. I am proud and elated to know that most of our alumni are highly profiled. They have merged as successful entrepreneurs, Managers, Project Associates, Leads in many MNCs both in India and Abroad.*

*We the ECE association always honor and invite our alumni to deliver invited talk, to conduct career development programs etc. for their juniors. Periodic Alumni visits has sparked the budding engineers and have been motivating and focused to improve the placement opportunities.*

*I am thankful to the TPGITAA for their contribution towards the development of the Institution.*

*I wish the members of the TPGITAA and alumni the very best in all their future endeavors.*

### HOD's Column

**Dr. P. MANIVEL, Ph.D.,  
Head of Department (Chemistry)**

*Wishes to all Alumni of TPGIT. I have great pleasure to write this column for the TPGITAA Newsletter. I am happy to be a part of Thanthai Periyar Government Institute of Technology from the day of its inception. The efforts put in by TPGITAA are phenomenal.*

*It is indeed a great initiative by the TPGITAA to continuously interact with students and guide them properly. I would like to thank the members of TPGITAA who are making efforts and contributing for the development of our institution Frequent Alumni visits to TPGIT premises to connect with the budding engineers are really inspiring to get the placements.*

*I am being in-charge for 1st year students, witnessed the excellent support by the TPGITAA during last year orientation, as CSE and EEE disciplines had- been newly added last year. They have briefed wide range of opportunities in various disciplines. I expect the same support and co-operation in the years to come.*

*I wish the alumnus of TPGIT, All the very best in all their future endeavors.*

## Mechanical Engineering Association Inauguration By Mr. V.C.S Velumani B.E (1992 Mech)

Mr. V.C.S Velumani from 1992 Mechanical was invited as the Chief Guest of the Mechanical Department Association Inauguration ceremony and he provided a Career Guidance speech during inaugural ceremony.

He discussed and interacted with students regarding the roles and responsibilities where industry is expecting from an Engineer. Also he shared his experience and inspired students to come up in their life with success same like him. He also insisted students to attend internship program to bridge the gap between industry and studies. He also shared his own experience for decision making and planning their time for betterment of their career.
