Achievement:

Mr.Sivaguru Prabhakar (Alumni of 2XXX Batch) had Passed the IAS exam in April 2018.

Mr Sivaguru Prabhakar gave up his dream of pursuing a engineering degree as his family couldn't afford money to help him attend counselling session in chennai.

What followed after that was an extraordinary tale of grit and determination that took a son of alcoholic father to the platform of St Thomas Railway Station to the hallways of IIT Madras.

In the near future as an IAS Officer, he could possibly move to the hallowed precentics of Fort St George.
