

TPGIT Alumni Association Newsletter February 2024 Issue 1, Volume 1

Thanks Note from Saranya on the Support she received from the Alumni for her Kidney Transplant Treatment

15th July 2023

Vellore.

On behalf of my family, myself A.Saranya would like to heartfelt thanks for our Alumni helping us in the times of need. We would always be thankful to Our Principal, Our Head of the Department, My Dear Staffs, Alumni Association members and My Dear Brothers and Sisters for helping us my Renal Transplantation.

We are so Grateful for your Financial Support and all your Blessings. Transplant surgery was done on June 15th 2023. The kidney was operating well and I was under regular checkup as per doctor's advice. I need to undergo this regular checkup for an year. I am pleased to inform this details to you all.Thanks is not enough for your contribution because you people are giving me a second life to me.

Once again thanks for your all supports and blessings.

With Thanks,

A.SARANYA

Alumni Meet Feb - 2023

Alumni can play an active role in voluntary programs like mentoring students in their areas of expertise. Alumni get in touch with students and share their expertise and best practices

An alumni is not just a graduate, but a lifelong member of the community.

Following are the support expected from Alumnus:

1. Alumnus who are willing and interested to give Guest Lecture/Tech Talk and any other activity or events please share in “**TPGIT Alumnus**” WhatsApp Group.
2. Tech Talk can also be conducted as an Online as well as Offline session as convenient for the presenter.
3. Share the details related to any new achievements you have made in the last three months.

4. Any meeting, reunion or get together you had within your department/batch mates kindly share the photos to TPGITAA.
